Classes

A class placement is only guaranteed when either an online registration or a new signed registration form and full payment is made. We require either an online registration or a new signed and completed student registration form each school year. Every attempt is made to place students in the class of their first choice; however, priority is given to students already enrolled in class. We will notify you only if your first choice is not available. If you would like to continue in the same class, you must pay in full 3 weeks prior to the next session.

Payment

When you register your child for classes, you are paying for your child's place in class, not his or her attendance. Fees for each session must be paid in full before your child's name will be placed on the class list. Cash, Visa, MasterCard and American Express are accepted. There is a \$30 fee to switch classes. We do not accept personal or business checks. No refunds or credits are given at any time.
