PROGRAM

## Preschool Gymnastics

Gross and fine motor skills to progressive gymnastics. The class curriculums and stimulating instructions are designed to encourage students to explore the exciting and positive elements of fitness, increase concentration and introduce spatial awareness. Emphasis is also placed on developing social, emotional, and physical confidence as children explore a new and dynamic environment in the company of other tots being introduced to the world of gymnastics.

Recreational  
(primary)

- Little Stars** (1.5-3yrs)
- Twinkling Stars** (3-4yrs)
- Shining Stars** (4-5yrs)

PROGRAM

## Artistic Gymnastics

Gymnastics skill development in a fun and safe environment. Gymnastics teaches strength, flexibility and coordination that can transfer to many other sports. In addition to gymnastics, we teach children how to set goals, manage their time, be a good sport, and have discipline. We use the newest and most imaginative gymnastics equipment to introduce technical gymnastics training. New skills are introduced through progressions and by using spotting techniques.

Recreational
